London Bridge Hospital **Campus**

London Bridge Hospital is a campus of buildings within easy reach of each other. Additional outpatient clinics can be found in The City and Canary Wharf. Before visiting for consultations, treatment or any of our services, please check which location you're coming to. Our staff are available on +44 (0)20 7407 3100 for location queries.

London Bridge Hospital

27 Tooley Street, London SE1 2PR. Tel: 020 7407 3100

Overlooking The Thames is the Main Hospital, home to the majority of inpatient care. Here you'll find six theatres, 16 intensive care beds, three inpatient wards with 121 bedrooms, and the full range of diagnostic imaging services.

Emblem House

27 Tooley Street, SE1 2PR. Tel: 020 7407 3100

Emblem House is opposite the main hospital entrance. It holds a PET CT scanner, the main pharmacy, and consulting rooms for specialties such as vascular, colorectal, gastroenterology, spinal, and some cardiology, along with The London Liver Centre.

HCA UK at The Shard

32 St Thomas Street, SE1 9BS. Tel: 020 7407 3100

Our main outpatient centre is spread over three floors of The Shard. In this iconic building are 78 consulting rooms, imaging such as CT and mammography, and a state-of-the-art physiotherapy gym. Most initial consultations will take place here.

St Olaf House

27 Tooley Street, London SE1 2PR. Tel: 020 7407 3100

Our art deco riverside building, adjacent to the main hospital, is home to registration and pre-assessment, endoscopy and dialysis. It also hosts the consulting rooms for cardiology, respiratory, rheumatology and some orthopaedics.

Urgent Care Centre

29 Tooley Street, SE1 2PR. Tel: 020 7516 1750

Patients with non-life threatening injuries and health concerns can walk in without an appointment. Here, GPs and nurses experienced in emergency medicine can treat or refer patients over 18 to consultants – and if needed urgent hospital admission.

Private Care at Guy's

Guy's Cancer Centre, SE1 3PU. Tel: 020 7234 4000

On the top four floors of Guy's Cancer Centre you'll find our chemotherapy day unit and 50 inpatient rooms for urology, gynaecology, breast, haematology, and head, neck & thyroid patients. There are four Level 3 ICU bedrooms and four theatres, including a robotic theatre.

Our other outpatient centres
